Format (Excluding Grays Harbor and Skagit)

Grays Harbor and Skagit multi-day event will utilize specially designed formats for those events.

- All drivers will pill draw for qualifying order.
- 2 single car qualifying laps.
- Heat races are lined straight up from qualifying time with the fastest car in each heat inverted to 4th
- 1st in the heat race and fastest qualifier that make the transfer go to the feature line up redraw.
- If the heat winner is the fastest qualifier in the heat he/she will knock out any other cars from that heat from going to the redraw and forego the redraw and start in front of the redraw cars for the feature.
- Cars that transfer to the A out of their heat, but are not in the redraw will line up behind the redraw cars in order of their heat race finish.
